

# Staufix FKA conversion kit DN 100-200, fr. 01/2012, 15 m cable

## **Article information**

Item no.: 80104

GTIN: 4026092051344

Price group: 30

### **Description**

The conversion kit is equipped with a motor-driven closure system, which is closed automatically in the event of backwater. A second closure system serves as an emergency closure to be closed by hand.

The station is controlled by a user-friendly control unit, which is optionally integrated in the building management system via a potential-free contact, or alarm and collective fault messages can be output via a GSM interface.

The conversion kit is used to upgrade backwater chambers LW 1000 and backwater module chambers LW 1000 with the Staufix FKA backwater valve.

Type of wastewater: wastewater with and without sewage

Backwater protection: Type 3

#### General characteristics:

Nominal size (DN): 100-200

Note on nominal size: Hydraulics correspond to DN 150

Standard: EN 13564

Cable length: 15 m

Protection class motor: IP 68 (3m/48h)

#### Control:

Control unit:

Operating voltage:

Mains frequency:

Self-diagnosis system (SDS):

Battery buffering:

Multi-line display:

Log book function:

Comfort

230 V

50 Hz
