

## Sludge extraction system DN 150

### Article information

Item no.: 917804  
GTIN: 4026092025307  
Price group: 60

### Description

Sludge extraction system for extraction of the sludge volume produced, for connection to disposal vehicle, consisting of suction pipe d:

50 mm with sludge suction funnel, 0.5 m suction hose d

### General characteristics:

Nominal size (DN): 150
